God is Love — Week 2

1 John 4:8-9 says, "...God is love. This is how God showed his love among us: He sent his one and only Son into the world that we might live through him."

Not only does God love us, God is love. It is the reflection of the essence of who He is. Because of that, we can be sure that His love for us cannot diminish. We must realize that God's loves the world but He also loves us as individuals despite how insignificant we feel or how bad our past.

- What is the best demonstration of unconditional love that you have witnessed?
- Do you ever have a hard time believing that God loves you? Why?
- Why do you think you're not insignificant to God?
- How does God's loving kindness draw us to repentance? Can you give a personal example?
- How does God pursue those he loves? How does he pursue you?

For God so loved the world that he gave his one and only Son, that whoever believes in him should not perish but have eternal life. John 3:16

Thank you God for loving me so much that you would send Jesus to die for my sins. Thank you for your kindness and love that drew me in and will never let me go. Amen.
